# Bot Insight Instructions

---

This document includes instructions you can use to log in to Bot Insight (Analytics).

Follow these instructions to log in to the trial version of Bot Insight (Analytics):

1. Log in to Bot Insight.
2. Go to the **Control Room**.
3. You will see a series of operation dashboards. Explore the data and drill down.
4. Click on **details** to view a list of bot runs.
5. Click the **Bots** tab, to the left to view the Bots Dashboard. Here you will see **Bot Heartbeat** and **MVP Bots**.
6. Click the **Insights** tab to enter Bot Insights, which is the analytics tool.
7. Enter `ATM` to view the ATM reconciliation demo data and its dashboards.
8. Here you can explore multiple dashboards with demo bank data.
9. Click **details** to view the real-time transaction data.
10. Enter `Mortgage` to view the Mortgage demo data and its dashboards.
11. Here you can explore mortgage data dashboards.
12. Enter `Telecom` to view Telecom order entry data.
13. Here you can explore Telecom data dashboards.
14. Click **metric** to drill down.
15. Click on **export** to export the dashboard to a PDF to share with colleagues.
